Create an array of blocks with this magnificent block of the month book. The intricate blocks are simplified by using the Creative Grids Starburst 30 degree Triangle Ruler. This beautifully illustrated book will walk you through each step so you will have stunning results.

NEW - REQUIRED TOOL

Creative Grids Starburst 30 degree Ruler

Sew together twelve, 30 degree triangles to create a complete circle; six to create a half-circle; or three to create a quarter-circle. Or, use the angles to create a variety of intricate 12" finished blocks—no paper templates required! Measures 9¾" x 4½".

More Creative Grids Rulers

A favorite among quilters, these rulers feature easy-to-read, black and white numbers and non-slip embedded grippers. The ¼" dashed lines printed on two adjoining sides aid in trimming seam allowances. Use the patented Turn-A-Round feature—designated by the ½" grip sides—to add the ½" seam allowance to your pieces. Each ruler easily slides over fabric until pressure is applied, then it holds a fabric in place while cutting, eliminating slipping and miss-cuts!

Meet Cheryl

Cheryl is a writer, quilter, and mom. She writes and teaches on quilting, craft, creativity, food, and family. And it all comes from her dining room empire in her crowded, colorful house. From this space, she wrote *Sunday Morning Quilts* (co-authored with Amanda Jean Nyberg), *A Month of Sundays*, and *You Inspire Me to Quilt*. A proud first generation Ukrainian, she is committed to not letting the artistry of food and craft from her heritage pass by unnoticed in the modern age. Cheryl is the mother of three kidlets, and an awesome wife to her entrepreneur husband. www.cherylarkison.com
