## PERFECT UNION

for Andover Fabrics

### About the Designer

Edyta's love of fabric began at a very young age when she used her mother's drapes to create her very first project. Fortunately for all of us, Edyta's mother recognized her passion and thus she began her sewing journey. Today Edyta is the author of bestselling books such as Patches of Blue and Patches of Scraps, and she is also known for her gorgeous fabric collections produced by Andover Fabrics.

# A Guide to Batting

With so many options to choose from, selecting the perfect batting for your project can seem like a daunting task. Fear not, quilter! We've put together a helpful guide to help you understand what makes each type of batting different, so that you can determine what will work best for you and your project!

## COTTON BATTING

Cotton is a soft, breathable, and natural fiber. It's machine washable and dryable, has moderate drape, and ages well. It softens and shrinks slightly with washing, giving it a crinkled "lived in" look. Compared to other materials, cotton batting offers the heaviest weight,

### GOOD FOR

A flat, traditional look

### OUR PICK

This batting is made from the finest long-staple American cotton. Never bleached with harsh chemicals, this batting is the ideal choice for quilts for little ones.

### WARM & NATURAL COTTON BATTING

21802 Twin **\$21.99**  
21803 Queen **\$31.99**  
21804 King **\$47.99**

## WOOL BATTING

Wool is lightweight, warm, and moisture-wicking. Contrary to popular belief, it's machine washable and dryable as long as you use gentle, cool cycles.

### GOOD FOR

Garments & all-season bed quilts

### OUR PICK

With this batting, you get the best of two worlds. It has just the right amount of loft, and it's so warm and cozy!

### HOBBS TUSCANY COTTON WOOL BLEND

21302 Twin **\$24.99**  
21303 Queen **\$32.99**  
21304 King **\$43.99**

## POLYESTER BATTING

Polyester is lightweight, but very durable. It is machine washable and dryable, and has a high loft, making it a great choice for those that want to show off their quilting.

### GOOD FOR

Making your quilting POP!

### OUR PICK

This batting is made from high-quality polyester, needle-punched into a thin base that holds the fibers in place, keeping the batting even and consistent.

### SOFT & BRIGHT POLYESTER

21812 Queen **\$18.99**  
21813 King **\$31.99**

## BLACK BATTING

Black batting is used to give your dark quilts a richer, deeper color.

### GOOD FOR

Quilts with dark fabric

### OUR PICK

Black-dyed cotton provides quilters a dark batting that will not show through a dark quilt top.

### HOBBS HEIRLOOM 80/20 BLACK COTTON

20826 Queen **\$22.99**  
21654 King **\$37.99**

## FUSIBLE BATTING

Fusible battings eliminate the need for pinning or spray-basting, saving you precious time!

### GOOD FOR

Convenience

### OUR PICK

Spend less time basting, and more time sewing with this time-saving choice.

### HOBBS HEIRLOOM 80/20 FUSIBLE

20628 Crib **\$10.99**  
20629 Queen **\$24.99**

# NEW PATTERNS

from Elizabeth Hartman!

## About the designer

Elizabeth Hartman is a quilter and pattern designer from Portland, OR. In 1999, she made her very first quilt and has been hooked ever since! Elizabeth sees quilting as the perfect combination of creativity and technical challenge. We love her patterns not just because of the quirky designs, but also because her directions are clear and easy to follow.
