CONNECTING THREADS

We've gathered some favorite designs and inspiration in the three exclusive collections called General Store Volume 2, Hometown Americana Volume 3, and Hometown Americana Redwork Traditions. Coupled with another of our most-loved collections, Chambray Tonals, we're sure you'll have what you need to create truly beautiful, classic quilts this summer.

These collections were inspired by historic and patriotic designs that were popular in the 19th and 20th centuries. In particular, we've emphasized the beautiful high contrast of red and ivory in our Redwork collection. The redwork embroidery technique that inspired this group was used to decorate household items like tea towels and quilts and has become popular once again with embroiderers and quilters today.

Connecting Threads is committed to making fabric at premium-level quality, with the most affordable prices. Nearly all of our collections are produced on our premium fabric, called LUXE for its luxurious feel and incredible softness. It's American-grown cotton and is sustainably made, with OEKO-TEX® environmental certification. Feels like cashmere, made with cotton. We can't wait for you to get your hands on these new designs and collections, as well as many other of our partner fabrics so that you can Create. Quilt. Love.

Chambray Tonals

Chambray Tonals are one of our most versatile and best-selling exclusive collections. The softening of the colors due to the chambray “texture” gives any project a strong, vibrant color, without screaming “look at me!”

These are perfect for anyone looking to add bursts of color that don’t overwhelm, and they pair beautifully with all of our exclusive collections.

A Brand New
BLOCK OF THE MONTH

Ruby

BY KRISTIN GASSAWAY

Kristin Gassaway has designed such a stunning quilt inspired by our Hometown Americana Redwork Traditions collection. It's traditional, it looks intricate, and has a WOW-factor without being too much work. The Irish chains pull the design together and make it look cohesive.

And it's truly not too challenging – there isn't anything harder than a half-square triangle or flying geese on any of the blocks. Sign up today!

What is a **BLOCK OF THE MONTH?**

Each month, for 12 months, we'll ship you the instructions and the fabric you'll need to make a portion of the quilt. The idea is that you can "sew-as-you-go," and at the end of twelve months, you'll have sewn a finished quilt top!

Finished size is 102½" square
