CONNECTING THREADS®

Create. Quilt. Love.

As styles change and quilting trends come and go (I'm looking at you, Stack 'N Whack), in the 27 years you've welcomed us into your homes, our mission has remained the same: we want to be the #1 source for all your quilting needs.

You depend on us to provide you with a top-notch assortment of fabrics by the yard, precuts, and quilt kits. This month, we're excited to help you get acquainted with the cloth that serves as the base for CT Exclusive quilting cottons. Meet LUXE, the most premium fabric available to quilters today.

This buttery-soft cloth is produced at one of the world's finest mills, and woven from 100% American-grown Supima cotton. Known among apparel manufacturers for its legendary softness, we now bring it to you, woven into a quilting cotton.

Oh, and did we mention LUXE is available exclusively from Connecting Threads?

While you're enjoying the selections featured in this month's catalog, we think you'll be delighted by our new Quilt Guide, where you can view large, clear photos of full quilts. Find it on pages 52-55. And please don't forget to share your progress shots and finishes on Facebook or Instagram, and tag it with #TogetherWeQuilt.

Sincerely,
Kristin Bannister

by Cheryl Brickey

46958 \$24.95 \$19.96

Who can resist a perfectly coordinated and fun-filled charm pack? Now make the most of your growing collection with projects designed for the "charm pack lover" in mind.

Cheryl Brickey began quilting in 2010 to make her then-toddler daughter a quilt for her first bed and has been quilting nonstop since. She has a chemical engineering degree from Carnegie Mellon University and she loves to combine her engineering and math skills in each of her quilt designs, with quilt math being one of her favorite elements of pattern writing.

How do I know which needle to use?

While easy to overlook its importance, the right needle can be the difference between a great sewing experience and a frustrating one. Don't worry, we're here to help!

Our signature Essential Thread™ works great for both piecing and quilting. For piecing with quilting cottons, Essential pairs best with a size #80/12 Universal Needle for most home sewing machines. Working with batiks? Choose a #80/12 Microtex Needle, sometimes referred to as "sharp."

Quilting on your home sewing machine? Go ahead and use a #90/14 Quilting Needle to easily glide through top, batting, and backing.

Into the slow stitch movement? Wondering which needle to use with your favorite ornamental thread? Learn all of this and more by visiting our Learning Center where you'll find our complete guide to choosing the right needle!

Staff Spotlight

Every time you ooh and aah at a quilt you see here in the catalog, you have Karen to thank. Karen is our Quilt Sample Coordinator and—with scrupulous attention to detail—manages a packed and fast-moving sample sewing schedule. In 2020 alone, she oversaw the production of over 250 quilts.

When asked about her favorite part of her job, Karen's reply was swift and clear, "I get to work with amazingly talented sewists, quilters, and pattern designers." Our favorite part of Karen's job is getting to see the quilts she shows off as they come back from the quilter!

A dedicated sewist from a young age, Karen took up quilting as an adult after piecing together some old blocks her grandmother started but hadn't been able to finish. "I was hooked after that." Karen says.

A meticulous and accomplished maker, Karen often takes on exceptionally complicated paper-piecing patterns. Her most beloved finish? "My very favorite quilt I've ever made is my Montana Cartwheel quilt, sewn up in batiks. The curved paper piecing was hard but fun for my first paper pieced project!" Karen, we are all duly impressed.

“

”

When she takes a break from quilting, you're most likely to find her devouring mystery, crime, and detective novels. Her beloved orange cat, Charlie, is equally happy to accompany during either pursuit.
