# A Guide to Batting

With so many options to choose from, selecting the perfect batting for your project can seem like a daunting task. Fear not, quilter! We've put together a helpful guide to help you understand what makes each type of batting different, so that you can determine what will work best for you and your project!

## COTTON BATTING

Cotton is a soft, breathable, and natural fiber. It's machine washable and dryable, has moderate drape, and ages well. It softens and shrinks slightly with washing, giving it a crinkled "lived in" look. Compared to other materials, cotton batting offers the heaviest weight.

### GOOD FOR

A flat, traditional look

### OUR PICK

This batting is made from the finest long-staple American cotton. Never bleached with harsh chemicals, this batting is the ideal choice for quilts for little ones.

### WARM & NATURAL COTTON BATTING

21802 Twin **\$21.99**  
21803 Queen **\$31.99**  
21804 King **\$47.99**

## WOOL BATTING

Wool is lightweight, warm, and moisture-wicking. Contrary to popular belief, it's machine washable and dryable as long as you use gentle, cool cycles.

### GOOD FOR

Garments & all-season bed quilts

### OUR PICK

With this batting, you get the best of two worlds. It has just the right amount of loft, and it's so warm and cozy!

### HOBBS TUSCANY COTTON WOOL BLEND

21302 Twin **\$24.99**  
21303 Queen **\$32.99**  
21304 King **\$43.99**

## POLYESTER BATTING

Polyester is lightweight, but very durable. It is machine washable and dryable, and has a high loft, making it a great choice for those that want to show off their quilting.

### GOOD FOR

Making your quilting POP!

### OUR PICK

This batting is made from high-quality polyester, needle-punched into a thin base that holds the fibers in place, keeping the batting even and consistent.

### SOFT & BRIGHT POLYESTER

21812 Queen **\$18.99**  
21813 King **\$31.99**

## BLACK BATTING

Black batting is used to give your dark quilts a richer, deeper color.

### GOOD FOR

Quilts with dark fabric

### OUR PICK

Black-dyed cotton provides quilters a dark batting that will not show through a dark quilt top.

### HOBBS HEIRLOOM 80/20 BLACK COTTON

20826 Queen **\$22.99**  
21654 King **\$37.99**

## FUSIBLE BATTING

Fusible battings eliminate the need for pinning or spray-basting, saving you precious time!

### GOOD FOR

Convenience

### OUR PICK

Spend less time basting, and more time sewing with this time-saving choice.

### HOBBS HEIRLOOM 80/20 FUSIBLE

20628 Crib **\$10.99**  
20629 Queen **\$24.99**
