INTRODUCING

**Mercantile**
by Kristin Gassaway

We’ve partnered with one of our favorite designers, Kristin Gassaway, to bring you this brand new 4-month Block of the Month. This pattern and kit are exclusively available as our Block of the Month and are not sold separately.

Mercantile is sewn up in General Store, our newest assortment of authentic 1930s feedsack-style fabrics. Every print comes from an authentic vintage feedsack, meticulously recolored and scaled into this charming group of quilting cottons. This is our favorite 1930s collection we’ve ever seen, and we’re pretty sure it’s going to be yours, too!

FREE SHIPPING on orders over $65+ in the contiguous United States*
WHAT IS A BLOCK OF THE MONTH?
Each month we ship you all the fabric you need to make a portion of the quilt. You will be shipped four packages, one each in May, June, July, and August. At the end of four months, you’ve got a finished quilt top!

HOW MUCH DOES IT COST?
The Mercantile BOM costs $35 per month, and ships to you at no additional cost.

Visit connectingthreads.com/BOM to sign up before 4/30/2019. Don’t wait! Limited spots available.

Don’t forget to share your progress with other quilters by using #MercantileBOM

WE ❤ KRISTIN GASSAWAY!
Kristin has been designing quilt patterns for 13 years. She now has almost 200 patterns under her belt, and hers are some of the most popular patterns we’ve carried here at Connecting Threads! A fresh take on the vintage sampler, Mercantile showcases Kristin’s signature flair for taking the bones of classic blocks and reimagining them in lively, modern interpretations. Kristin is known for her love of star blocks, so naturally she included quite a few in here!

We love this quilt as much as Kristin loves this fabric collection, she even confessed to us that General Store is her all-time favorite Connecting Threads exclusive collection.

Sam Hunter started sewing when she was seven, and hasn’t really stopped since. She added quilting to her skills 30 years ago, and started designing patterns professionally in 2011.

While she claims to be an equal opportunity fabric collector, batiks have held a special place in her heart from the first time she bought some for quilting.

We love how Sam used our new Island Sunset Batiks in these charming quilts.
