### KING TUT

Ultra soft and super smooth, this 40-weight thread is made with extra-long staple Egyptian cotton. We're especially fond of the variegated shades. The short, delicate color repeat makes for perfectly blended quilting.

500-yd spool  
**\$8.99**

35 COLORS AVAILABLE

### BOTTOM LINE

This 60-weight polyester thread was developed especially for bobbin use. Its lighter weight diameter makes for perfectly smooth seams, and works beautifully with any weight cotton or poly top thread.

1,420-yd spool  
**\$8.49**

20 COLORS AVAILABLE

**Confused about thread weights?**

Don't worry, even seasoned quilters sometimes scratch their heads over thread weight! Just remember this: the bigger the number, the thinner the thread diameter.

### MICROQUILTER

If you love quilty texture with just a soft suggestion of stitch definition, this is the thread for you! MicroQuilter is an ultra-fine 100-weight thread that disappears right into your fabric while creating a surprisingly strong stitch. Also great for invisible appliqué. Ideal for use on both domestic and long-arm machines, we recommend pairing MicroQuilter with Bottom Line in your bobbin.

800-yd spool  
**\$5.99**

25 COLORS AVAILABLE

### OMNI

Ultra-strong OMNI is a 40-weight, 100% polyester all-purpose thread. Think of it as your new workhorse you can use to piece, quilt, and even serge! We love OMNI for bag making and any application we want to ensure an extra-strong seam.

6000-yd cone  
**\$15.99**
